**Silkscreen Art Requirements:**

- **Butt register** not recommended. Please call for assistance
- **Trapping:** 1 point minimum. If art is too fine, we will overprint. Trapping may cause a color change where colors meet.
- **Overprinting:** We use UV inks, which are somewhat translucent. When overprinting 1 color on top of another the appearance of colors may change. Keep this in mind when creating fine details. Black, however, will cover everything.

### Art Charges

If art requirements are not met, art time will be billed at **\$40.00 (X) per hour**. Factory WILL NOT be responsible for charges due to "clean-up" or "rework" deemed necessary to meet production standards.

### Typesetting

We will typeset up to 3 lines for FREE. All other typesetting (including copy changes, postcard copy, curved copy, schedules, and word magnets) will be billed as needed at **\$40.00 (X) per hour**. The typestyle must be indicated, or it will be left to the discretion of the typesetter.

### Artwork Storage

Artwork will remain on file for 2 years. You must resubmit art after that time.

### PMS Color Match (Non-Stock Colors)

Exact PMS color matches are not available on items in this catalog printed in four-color process. For requested color matches, we will use the closest CMYK equivalent possible. For specific PMS color matches, please contact Customer Service. (Metallic and fluorescent colors are not available for digital four-color process imprint. For these options, contact Customer Service.)

To ensure repeat orders match the previous color, material specs, etc., please refer to previous order number. **Due to variations in inks, materials, and press runs, an exact match to previous orders is not always possible.**

### STOCK IMPRINT COLORS with NO PMS Color Match/Mix Charge

Please note "STOCK colors" on your P.O. to avoid a PMS color match/mix charge. If a non-stock color or PMS number is listed, the requested color will be used and a PMS charge will apply. **PMS Color Matches are not guaranteed due to variations in inks and raw materials. Lamination may also slightly alter color(s). We will use the ink color requested and match as close as possible.**

**Because the colors below are printed in four-color process, they are not exact representations of the colors used.**

**PMS Color Match:**

\$18.75 (G) per color match.

**Copy Changes:**

\$20.00 (G) per color, per side, per version in EQUAL increments, unless otherwise specified on product page. Catalog minimums apply per version.
